## ABOUT ME

I'm Nakeya Divine – a Certified Interior Decorator, Professional Organizer, and Planning & Productivity Strategist. As the founder of Divine Elements of Design, I've been helping clients elevate their homes and lifestyles since 2006. In addition to working with clients one-on-one, I'm a full-time content creator who shares home organization tips, interior styling ideas, productivity strategies, and lifestyle inspiration across YouTube, Instagram, my blog (Decorator's Voice), and my weekly newsletter. I partner with brands to create engaging, authentic content that resonates with my audience of busy women who value home, beauty, and efficiency.
